December 2009

Dear Sir or Madame,

I am writing to you on behalf of Amie Weaver, a candidate for an elementary teaching position. It is with much confidence that I am pleased to recommend her for a position within your school district. I have had the opportunity to work with Mrs. Weaver, as she has worked as a Therapeutic Support Staff for a student at Mountville Elementary School since the start of the 2009-2010 school year. In the time that Mrs. Weaver has been assigned to Mountville Elementary School, I have been able to observe her interacting with her client, who has communication and behavior limitations. These interactions include providing modifications and adaptations so that he may be successful within the curriculum. Mrs. Weaver also collaborates with professionals, such as classroom teachers and myself and receives feedback on how to utilize strategies to maximize student success. In all of these instances, Mrs. Weaver has displayed energy, determination, organization, and professionalism. I am certain she will bring these attributes to your school district.

Please do not hesitate to contact me if you require any additional information regarding Mrs. Weaver.

Sincerely,

A handwritten signature in blue ink that reads 'Jennifer M. Miller'.
