To All Interested Persons:

I am pleased to act as a reference for Mrs. Amie Weaver. Amie has worked in my classroom as a Therapeutic Support Staff since August 2009. She works individually with one student who has communication and behavioral needs.

Throughout her time in my classroom Amie has demonstrated the ability to work cooperatively with a variety of other professionals. She is eager to work with others and positively contributes to team discussions. Amie's knowledge of classroom management and child development is apparent in her daily interactions with classroom staff and the student she works with.

Over the past few years, I have had the opportunity to work with many Therapeutic Support Staff; Amie has demonstrated an interest and commitment to working with children that has exceeded all others who have preceded her. Amie demonstrates a strong commitment to her profession as demonstrated by her initiative, organizational skills, and professionalism. I am confident that Amie will be an asset to your school district.

If you desire any addition information about Mrs. Amie Weaver please feel free to contact me at your convenience.

Sincerely,

A handwritten signature in blue ink that reads 'Kelly L Fisher'.
