RE: Mrs. Amie Weaver

To Whom It May Concern:

It is with pleasure I write this letter for Mrs. Amie Weaver. I met Amie several years ago when I was interviewing applicants for our position of Director of Pre-school/Early Childhood Learning for the Wilson School District.

I found Amie to be extremely professional and articulate. During the interview she was poised and confident. She was extremely personable and interacted with the interview team with ease, even when presented with challenging questions and scenarios. I found her to be reflective and sincere in her responses.

Additionally, I appreciated Mrs. Weaver's attention to detail. She was well organized, thorough, and prepared. Although Amie was not chosen for this position (the district had made a decision, based upon other circumstances, to move forward with an internal candidate), her resume' and contact information have remained in my files should I ever have an open position that matches her skill set. I would not hesitate to hire her.

I've reviewed the job details for the position Amie is applying for; based upon my interactions with Amie, my review of her credentials prior to those interactions, and my knowledge of her skill set, I would highly recommend Amie for this position.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Michelle Saylor
