To Whom It May Concern:

Dear Educator:

I am happy to provide a letter of recommendation on behalf of Mrs. Amie Weaver. I have known her for the past year -- first as a practicum student from Chestnut Hill College and now as a student teacher. It is a privilege to know and to work with such an outstanding teacher in training.

Mrs. Weaver possesses a genuine enthusiasm for children and their emotional, social, academic and physical growth. She shall be a credit to her profession, and shares the responsibility of education with the administration, faculty and parents of St. Teresa of Avila School. She is ever mindful of the distinctive mission of our school, and takes the vital steps to meet the needs of students.

Mrs. Weaver demonstrates excellence in every aspect of classroom management, professionalism, and quality of instruction. She enjoys an exceptional rapport with children, parents, faculty and principal. No request is ever an imposition; her outstanding commitment is recognized and appreciated by our teachers.

Mrs. Weaver is a very special part of the school family, where a sense of mission, service and concern for others is valued. I am honored to have the personal and professional opportunity to work with her!

Sincerely,

A handwritten signature in cursive script that reads "Mrs. Maria B. Brown".
